MEMORANDUM FOR MQ-1/9 FTU Students

FROM: 16 TRS/DSA
897 West 6th Street, Building #513
Holloman AFB, NM 88330

SUBJECT: Director of Student Affairs Policy Regarding Use of Off-Base Lodging

1. In a Memorandum dated 30 Oct 2015, the 49 WG/CC established requirements for utilization of on-base lodging facilities. The memo states "students with personal issues they believe are incompatible with on-base lodging must receive permission (in writing) to reside off-base. This permission can be granted by the 16TRS/CC, 16 TRS/DO, or 16 TRS Director of Student Affairs."
2. Until further notice, all MQ-1/9 FTU students beginning class after 1 Apr 2016 will no longer be given permission to reside off-base because of pets. It is the student's responsibility to house and make accommodations for their pets while in training at the FTU. If permitted by lodging, students have the option to coordinate for on-base accommodations that allow pets.
3. Students that plan on having their spouses and/or children with them or that have other issues making on-base lodging facilities unsuitable may still request to reside off base.
4. Any questions regarding this policy can be directed to the 16 TRS Student Affairs office at (DSN) 572-3830 / (Comm) 575-572-3830.
